

## Objectives

Spill Centers should:

- **be convenient to employees to encourage use**
- **always remain stocked with necessary components**
- **be maintained and attractive to the customer**
- **be customized to meet retailer's specific needs**

Two flexible concepts for spill cleanup kits are available:

## Stowaway

- Newer Concept
- Utilizes a Complete Portable Spill Cleanup Unit Stored on Shelving
- Easy to Use - Kit has Wheels to Roll to the Spill
- Space Efficient and Unobtrusive
- Perfect for Retail Applications with Limited Aisle/Wall/Pole Space
- Keeps Components Organized

## Wall/Pole Mounted

- Traditional Concept
- Stores Components on a Wall or Pole-Mounted Wire Rack
- More Cost Efficient
- Perfect Solution if Shelving Options are Limited
